April/May, 2008

Remembering that all we do is for the glory of God...

JOIN CYO GLORY

Come and join the newspaper of St. Luke's CYO. Have your own written articles published and distributed to the whole entire school and PREP students to read. There is usually a meeting every first Friday of the month so everyone can pick the articles. You usually have a month to hand your articles into one of the editors. The paper is a great way to get involved in CYO. Come on guys, don't hold back, **JOIN THE GLORY!**

Pictures Needed For Slide Show At CYO Banquet

Mr. Harbison is desperately seeking photos of students in CYO activities for his annual slide show at the June 8 CYO Banquet. If you have any digital photos suitable for inclusion in the end-of-year retrospective, this is the time to get them to him ASAP. He especially needs boys' sports, running sports, volleyball, and service. You can email Mr. Harbison the photos at andy.harbison@ieee.org or drop a disk in the CYO mailbox in the rectory or SLS. If you Email, please limit each one to 5 or fewer photos that you have picked as your best. If you provide a CD, please label it with your name and what is contained therein. Thanks so much.

The Primary Elections

The candidates for president have been campaigning throughout the nation hoping to gain supporters to nominate them to run for president. John McCain is running for the Republican Party. There is a close race for the Democratic Party. Barack Obama is ahead of Hillary Clinton by only a small amount. With only a few states left for the primary elections, both Obama and Clinton are hoping for enough votes to put them in the race for the Presidential election.

Confirmation

This year's Confirmation was beautiful! The music was fabulous and Bishop Cistone was very nice. There were many participants this year, about one hundred, and this day was sure one to remember. The Confirmandi worked extremely hard to prepare and are now happily adult members of the Catholic Church. Congratulations Confirmandi!

Track

The track season is almost over, with only the championship meets remaining. These championship meets are the Region 10 champs on Sunday, May 4, the Area E champs two weeks later, and the Archdiocesan champs on Saturday, May 31. Everyone qualifies for the Region 10 champs, but only the top 6 from each event in Regions qualify for Areas. Then, the top 6 from every event in Areas qualifies for the Archdiocese. Only the best runners/jumpers qualify for this, and the competition is very tough here. During the season, everyone on the team had outstanding times and even made improvements to these times. More importantly, everybody seemed to enjoy running track this year. Unfortunately, the team is losing players every year and is in great need of new recruits.

Varsity B team Baseball

The B-Team was not off to a very good start. They are 0-5. The team is coached Mr. Manero and Mr. O'Neill. The team this year is really going to focus in on fundamentals to really prepare for next season. The B team has played St. Gen's, Immaculate Conception, St. James, Holy Martyrs, and St. Luke's A. The team's upcoming games are against St. Phillip's Gray, St. Phillip's Blue, St. John's, and Presentation. The team will get better over the course of the season.

2008 St. Luke's Softball A Team:

The Last Saint Luke's Dance

The last SLS dance, I believe could be described as amazing. I'm sure everyone was having a blast. The DJ was great, always checking to make sure the sixth, seventh, and eighth grade were "having a good time." I'm not sure which was funnier, the eighth grade's silly outfits, or when the eighth grade boys sang *I Don't Wanna Miss a Thing* by Aerosmith. At this dance, the sixth graders came to their first dance ever, and the eighth graders came to their last Saint Luke's Dance ever. There were tears and laughter as the eighth grade sang the last song together and looked back on all of their fond memories of Saint Luke's.
