October, 2007

Remembering that all we do is for the glory of God...

A Fall Prayer

The coolness in the air and the turning of the leaves reminds us of a new season. God, we ask you to renew our spirit. Let our family actions speak the truth of your love. Let those who see us know you a little better. This we ask through your Son and the Holy Spirit. Amen.

Rosary Month

The Church recognizes October as the month of the Rosary. It's a special month dedicated to promoting and rediscovering this revered prayer. At Saint Luke's, there are many different things we do for this month. First, we say a decade of the rosary everyday, all month, on WSLS. We also do a Living Rosary. During the Living Rosary, the eighth grade, with the help of the seventh grade, says the entire rosary at church. Everyone holds candles and forms a rosary around the church. It is a very solemn and serious event. This year's rosary was a mission rosary during which the students of Saint Luke's focused and prayed for the children in each of the continents of the world.

St. Luke's Varsity Field Hockey Region 21 Champs

Unbelievable, is the word to explain St. Luke's Field Hockey season. "Picture Perfect" would be the phrase. It was a wonderful season for 8th grade hockey. The team which consisted of Claire Salazar, Jenny Affleck, Anna Fiorella, Nicole Scalfaro, Nicole Motz, Maureen Regan, Sarah Doyle, Devon Monihan, Kathleen Doyle, Madeleine Brownsey, Kelly Scullin, Carly Scullin, Catie Waldinger, Brenda Harbison, and Emily McCauley finished with a league record 10-0-1. They came in first place in their division and their league. They won the Region 21 Championship and accomplished the challenging job of not being scored upon all season. This was a first for the league. It was amazing defense and real team play that made them a fierce opponent. We had some good times and made some great memories. Congratulations on an unbelievable, picture perfect season! Their coaches, Mrs. McCauley and Mrs. Johnston, are incredibly proud and the team was very fortunate to have them as coaches.

Because of the record number of girls out for the Field Hockey team, CYO formed two 7th & 8th grade hockey teams. The 7th grade team consisted Alison Waters, Eileen Dugan, Katie Cassidy, Caroline Dunn, Christine McIntyre, Kyra Mahoney, Teresita Liebel, Cate Hughes, Nicola McDermott, Maura Angiolillo, Hailey Cranch, Katie Dugan, and Amanda Hershock. They finished with a League record of 1-7-1. Don't judge them by their record they came on strong at the end defeating the strong St. Eleanor's, tying Epiphany and giving the 8th grade a close game in the 1st round of the playoffs. Great season girls!

An All Star Game was played at Kennedy Kenrick High School on Sunday October 28. Congratulations to the following girls who were selected to represent to St. Luke.....Brenda Harbison, Claire Salazar, Devon Monihan, Emily McCauley, Madeleine Brownsey, Maureen, Regan, Nicole Motz, Allison Waters and Eileen Dugan. The All Star Game finished with a 0-0 tie. Great Game Girls!

Cross Country

The Cross Country team is almost finished the 2007 season. Although the team has had to say goodbye to the former coach, Mr. Conway, the two new coaches, Mr. and Mrs. Griffenburg, have done a great job filling in the position and encouraging all of the runners to reach his or her potential. So far, all of the members of the team have made great improvements in their times since the first meet. Also, they seem to be having more and more fun each practice and meet. Sadly, the team did not get many new, young runners this year. With three eighth-graders leaving after the season, the team is unfortunately getting smaller each year. For this reason, if anyone has an interest in running, you should definitely give it a try next year.

The tryouts are at Bishop McDevitt High School. The coaches for the teams are Mr. O'Malley ("A" Team), Mr. O'Neil ("B" Team), Mr. Wilson ("B" Team), and Mr. Mascione ("B" Team) .We are all looking forward to a great season with a lot of talent.

Crusader Football

The year started out with great excitement and anticipation. We had cool looking new uniforms. Clean black jerseys, with big white and red numbers. A nice night in Roslyn on the Friday after Labor Day, it was football season. The night did not end well for the Crusaders, nor have many other game days since. As of 10/27/07 we had a record of 0 -6-1. 6 loses and one tie. We have played in the mud, rain, heat, and cold. We have not let nature get in our way. The coaching staff has done its job helping us to play our games with intensity and courage, to go out on the field and fight. I personally would like to thank all of you for coming out and cheering us on, in good times and bad. There are a couple of games left in November. Check in with any team member and we will let you know where and when to come out and cheer.

The Origins of Halloween

The word Halloween is interpreted from the term "All Hallows Eve" which occurred on October 31 the day when summer ended in Northwestern Europe. "All Saints Day" or "All Hallows Day" was the day after Halloween, November 1. Also the Celtic New Year was on November 1. The origins of Halloween can be traced all the way back to Ireland and Scotland during the time of Jesus. The annual change of season and the Celtic way of life was celebrated with a festival called Samhain (sow-ane). This entire time people believed in a lot of superstitions including that the dead and spirits wandered all over in search of the living. To scare away the spirits the Celts would dress up in costumes and run all over the streets making loud noises. The festival of Samhain was neither in the old, or New Year so there was a lot of chaos. People also played lots of practical jokes on Halloween. Now you know the Origins of Halloween. Teresita Liebel
