Thank you!

“One’s neighbor is not only a human being with his or her own rights and a fundamental equality with everyone else, but becomes the living image of God the Father, redeemed by the blood of Jesus Christ and placed under the permanent action of the Holy Spirit. One’s neighbor must therefore be loved, even if an enemy, with the same love with which the Lord loves him or her.”

Pope John Paul II
Sollicitudo Rei Socialis (1987) 40

QUESTIONS OF THE WEEK

Jesus said to him,

“What is written in the law?

How do you read it?”

He said in reply,

*“You shall love the Lord, your God,
with all your heart, with all your being,
with all your strength,
and with all your mind,
and your neighbor as yourself.”*

Luke 10:26-27

**What is written in the law?
How do you read it?**

VOCATION VIEWS

It’s a simple concept: love God with your whole being and put that love into practice. How is God calling you to love? Have you considered the way of loving called priesthood or religious life? (*Luke 10:25-37*)

DIOCESE OF DARU-KIUNGA IN PAPUA NEW GUINEA

The country of Papua New Guinea is a cluster of islands located south of the equator to the north of Australia and to the east of Indonesia. The Diocese of Daru-Kiunga is one of the 18 Catholic dioceses in this country and covers the entire state of Western Province. The geography of this massive area of approximately 42,000 sq. miles is most challenging: swamps, lakes, rivers and mountains most of which are dense tropical forests cover the area. As the country is close to the equator it is very hot and humid throughout the year.

The tribal people, of Melanesian race, came in contact with the external world when Montfort Missionaries from Canada arrived in the late 1950’s. Since then the Church in this remote and undeveloped part of the world has brought faith, health and education to the people. Today the Catholic population is around 40,000 and makes up approximately 42% of the total population of the state.

The church began its work in the remote villages by establishing schools and primary health clinics which have brought considerable improvement in the quality of life of the people. To this day it is the diocese that provides basic health and educational needs of the people, in the absence of such services from the government. The area has few transportation facilities and depends on small planes to transport essential medical supplies and other necessities. In the absence of telephones, electricity and roads our only means of communication between parishes and the diocesan headquarters is two way radios.

A very vibrant and energetic Church has emerged here over the past 40 years due to the hard work of the innumerable missionaries, some of whom have given their entire working years in the service of these simple, yet happy and welcoming people. Having emerged in the post Vatican period, the diocese promotes the Spirituality of Communion among all its faithful thus involving them in the decision making from the grass roots level.

One of the main challenges before the diocese is to raise enough funds to continue all these services in the formation of faith as well as other humanitarian and developmental activities. It is with the help of Catholics from Canada, the United States and Germany that the diocese has been able to accomplish so much over these years.

Through the mission appeal during the weekend of July 14th and 15th, 2007, we invite the parishioners of St. Luke the Evangelist Parish, Glenside, to join us in bringing the message of Jesus to the people of Western Province in Papua New Guinea.

That our laws may protect the institution of marriage, created by God as the union of one man and one woman.

SAINT MALACHY'S FOOD CUPBOARD

Can a can of soup, a box of cereal, tomato sauce, or fruit juice build a bridge? Even engineers would have to say it's possible. But ... we at St. Luke's know it can and has built a pathway of friendship between Glenside and North Philly. A noted rabbi once said "When I was young, I admired clever people. Now that I am old (older), I admire kind people." The food cupboard is built out of the kindness of the Saint Luke Givers. Alleluia.

NOVENA

Lehigh Ave. (at Memphis St. and Lehigh Ave.), Philadelphia, PA 19125, will hold its annual novena in Honor of Good Saint Anne from **July 18 to July 26**. Novena services are at 3:00 in the afternoon and 7:00 in the evening. Rev. Jack Kolodziej will be the homilist. A solemn closing ceremony will take place on July 26, at 7pm, the Feast day of Saint Anne. It will be an evening of great solemnity. The church will be open all day on the Feast of Saint Anne for the veneration of the relic until 6pm.

SUMMERSTOCK 2007

The cast of St. Luke Summerstock will bring to life all of our favorite Dr. Seuss characters, including Horton the Elephant, Gertrude McFuzz, Layzie Mayzie and all the Whos of Whoville! These classic, colorful tales are seamlessly brought together by Jojo, a young boy and a “thinker of strange and wonderful thinks!” As each story unfolds you will marvel at how relevant and profound Seuss’s subtle themes are, making this musical one that appeals to all ages.

The members of St. Luke summer stock range in age from first grade through eighth grade. They have been tirelessly practicing all summer to put on another stellar performance. So let your toes tap, your fingers snap and your imagination run wild for: “Oh, the thinks you can think when you think about SEUSS! Show dates are **Tuesday, August 7, and Wednesday, August 8**, at the Keswick Theatre in Glenside. The show starts at 7pm, doors open at 6:30pm.

Tickets are \$8.00 and can be purchased by calling 215-887-4475 or e-mail sharonslu@comcast.net. Tickets will be sold the day of the show at the Keswick Theatre box office. Tickets will also be sold after Masses (except the 6:30) on the weekends of the **July 28 & 29 and August 4 & 5**.

RESPECT LIFE THOUGHT:

“To blindly entrust oneself to technology as the only guarantee of progress, without offering at the same time an ethical code...would be tantamount to doing violence to human nature, with devastating consequences for all. The contribution of scientists is of primary importance. Together with the progress of our capacity to dominate nature, scientists must also contribute to help understand the depth of our responsibility for man and for nature entrusted to him.” (February 12, 2007 – Address to the International Congress on Natural Moral Law).
