Dear Father Flood,

Greetings from Los-palis Diocese of Hinche ,Haiti .

I am so happy to write to you and to thank you so much for opening your heart and heart to the most abandoned poor of Los-palis. By this letter I come on behalf of my parishioners to thank you so much for your generosity, your feeling of Christian solidarity ,your love and your compassion for the poorest .The Lord will give you more. Whatever you do for one of those in my name ,you did for me .I continue to pray for your people in your parish and may God continue to bless you and everyone from St Luke's Evangelist.

Please receive the photos of The Bakery and the pictures of children and teachers of my schools. They have been happy to receive your help ,your support.

With the first amount received this year, we construct a bakery and the Bakery supplies, we buy mules in order to bring the supplies for making the breads ,we help the poor parishioners to get the medicine supplies ,the lay leaders involved in the pastoral activities and help in the parish maintenance.

With the second amount received ,we help the poor children to get the tuition ,we help the teachers to get more money .As you may know the economical situation in Haiti became worse and worse. No factories, no jobs. Your important help is always welcome for helping the poor.

As you may know at Los-Palis we have a pastoral evangelization very dynamic. We visited many families in order to form men's and women's bible study groups for deeper understanding and appreciation of their faith .These would be conducted by lay leaders is small group ,the family life program is working also such as religious education, marriage preparation ,family enrichment through communication skills ,and family support.

We wish to thank you very much for the help which we at Los-Palis have received from saint Luke the Evangelist of Glenside .Thank you also for your feeling of Christian solidarity .And please accept my deepest gratitude for any help you give for the mission work in Los-palis.
